

## Community Engagement Team

The Community Engagement Team represents the 2019 Western Canada Summer Games (WCSG) at local, fun and exciting events across Saskatchewan. Become a member of this exciting team to engage and encourage volunteers to 'Get in the Game'!

### What is a Community Engagement Team?

A group of 2019 WCSG representatives who share the energy and excitement of the 2019 Games at various community events, meetings and information sessions throughout Saskatchewan. They attend community events and meet with interested parties to help share information about the Games and encourage individuals to become a Games Volunteer. Events include farmer's markets, festivals, community events and scheduled information sessions with interested groups.

### Who can be a Community Engagement Team Member?

Anyone with a passion for the Games and youth sport! You are knowledgeable or willing to learn more about the Games. You are enthusiastic and able to inspire others to get involved. If you are looking to stay connected with the Games, you are a great fit!

### Why become a Community Engagement Team Member?

Do you like having fun? Do you like meeting and connecting with new people? Do you love sports? Then being a part of the Community Engagement Team is the right position for you. You will receive volunteer apparel and you will be invited to exclusive volunteer recognition events.

### When do Community Engagement Team Members need to be available?

Whenever your schedule permits. A sign-up calendar will be shared with you once you have joined the team. This allows you to sign-up in advance for events that excite you and work with your schedule. The number of events that a team member attends is up to the individual, but we would appreciate your participation in at least one event per month, until July 2019.

### How do I become a Community Engagement Team Member?

If you are interested in joining our team, please email your interest to Jackie Maffenbeier at [jackiem@2019wcsug.ca](mailto:jackiem@2019wcsug.ca).
