

2019 WESTERN CANADA SUMMER GAMES TRIATHLON TECHNICAL PACKAGE

Every Games' coach, manager, Sport Chairperson and Mission staff has an obligation to read and understand every aspect of the Technical Package. Failure to do so could cost an athlete his or her eligibility for the Games as well as affect final standings or the conduct of the competition. If someone does not understand an aspect of a Technical Package, he or she is to seek clarification from the Technical Committee of the Western Canada Games Council through his or her Chef de Mission or Provincial/Territorial Sport Organization.

Technical Packages are developed primarily by the Western Canada Games Technical Committee in conjunction with the various Provincial/Territorial Sport Organizations, following principles, guidelines and requirements of the Western Canada Games Council. As the overall governing body of the Games, the Council has the ultimate authority for Technical Packages.

If an individual wishes to initiate a change to a Technical Package leading up to a Games, the desired change should be first directed to the Provincial/Territorial Sport Organization or the Chef de Mission. The P/TSO or Chef will evaluate the merits of the change and will, if it has merit, submit the requested change to the Technical Committee of the Western Canada Games Council. The P/TSO or Chef will submit the rationale for the change. Changes to age groups, eligibility requirements, team sizes or staff complements will not be considered after three years prior to the Games. Substantive changes to events or competition formats will not be considered after 18 months before the Games. Minor corrections will be considered at almost any time, but will be increasingly difficult to achieve within six months of the Games. Changes made by the NSO's regarding WCSG alignment to the Canada Games will not be considered after April 1, 2018. These time frames reinforce the importance of complete understanding of the Technical Package early.

11. Where a team/province/territory/Chef wishes to challenge the eligibility of an athlete on another provincial/territorial team, it is expected that such a challenge will be made as soon as the protesting team knows that an athlete may be ineligible. Every effort must be made to ensure that protests on eligibility are lodged before an athlete competes.

Men and women will be ranked separately. In the individual events there are 21 scoring positions with points awarded for 1st through 21st. If an athlete does not finish or is disqualified, the athlete does not receive any points. 1st place will be awarded 100 points down to 65 points for 21st place.

Men and women will be ranked separately. In the individual events, points will be awarded to the top four competitors representing each province/territory as follows:

Position	Points	Position	Points	Position	Points
1 st	100	8 th	81	15 th	71
2 nd	97	9 th	79	16 th	70
3 rd	94	10 th	77	17 th	69
4 th	91	11 th	75	18 th	68
5 th	88	12 th	74	19 th	67
6 th	85	13 th	73	20 th	66
7 th	83	14 th	72	21 st	65

Only the top four athletes from each province/territory, male and female, are included in sport scoring so teams are not unduly penalized for potential technical problems.

2019 Western Canada Summer Games Technical Package

6.2 2x Relay Team Triathlon:

In the 2x Relay Team Triathlon all two team members race in a relay format. Each team must pre-determine an order for their athletes to compete. The first competitor from each provincial/territorial team will complete the swim, bike and run course before tagging the second competitor. This continues until all two competitors have completed the course. If one competitor on a team is unable to continue the team is disqualified (no substitutions). A province's/territory's medal team result and athlete representatives will be based on the top two 2x teams, and the combined team's time is calculated on the sum of the 2x team's final times. Medals will then be presented to the top three combined teams between all provinces/territories (male and female).

Men and women will be ranked separately. If a team does not finish or is disqualified, the team does not receive any points for sport scoring. When each of the 2x teams' ranking of men's and women's teams has been established, team points for the Games flag will be awarded.

Position	Points	Position	Points	Position	Points
1 st	150	6 th	100	11 th	50
2 nd	140	7 th	90	12 th	40
3 rd	130	8 th	80	13 th	30
4 th	120	9 th	70	14 th	20
5 th	110	10 th	60	15 th	10

6.3 Mixed Triathlon Relay Event:

A team is comprised of 2 athletes: 1 man and 1 woman, who will compete in the order woman, man. Each team must pre-determine an order for their athletes to compete. The first competitor from each provincial/territorial team will complete the swim bike and run course before tagging the second competitor. This continues until all two competitors have completed the course. If one competitor on a team is unable to continue the team is disqualified (no substitutions). A province's/territory's medal team result and athlete representatives will be based on the top two 2x teams, and the combined team's time is calculated on the sum of the 2x team's final times. Medals will then be presented to the top three combined teams between all provinces/territories

If a team does not finish or is disqualified, the team does not receive any points for sport scoring.

When each of the 2x mixed teams' ranking has been established, team points for sport scoring will be awarded as follows:

Position	Points	Position	Points	Position	Points
1 st	150	7 th	90	13 th	30
2 nd	140	8 th	80	14 th	20
3 rd	130	9 th	70	15 th	10

7. Provincial/Territorial Ranking:

7.1 For an event to be eligible for Provincial/Territorial points, three (3) or more provinces/territories must participate.

3 rd place - 10 points	6 th place - 4 points

7.3 **Tie Breaking:**

If a tie occurs in an overall team standing between two provinces/territories, points will be combined and divided by two, i.e., 1st and 2nd tie – 14 points + 12 points divided by 2 = 13 points each.
